Global Partner to Vienna, Austria

November 2018

>VISION STATEMENT<

God has called and empowered me to **EQUIP** believers to be visionary leaders who **EXTEND** love through **SERVICE** to a world in need of hope.

Making one disciple at a time for the kingdom.

Hello Friends and family! I just wanted to update you to what's going on in my life and share a few details with those who don't know where I've been since my last trip.

What am I doing?

I am going into full time missions work overseas! I am thrilled to be serving in this new capacity as a church planter.

Where am I going?

After two trips to Vienna, Austria in the last year I will be returning there to do ministry on a more permanent basis.

When am I going?

I am leaving in March of 2019 to serve in Vienna.

How long will I be there?

My desire is to minister here for the rest of my life. I believe that God is calling this home for a long while and I look forward to seeing God's impact on my life in this country.

Who will you minister with?

I will be working with other Global Partners at Vienna Christian Center a multi-national church in Vienna that serves 9 language speaking congregations and 13 services a weekend. This is a ministry that has been growing for the last 30 years.

I recently had an opportunity to share briefly at church about stepping into this new season of ministry and I am looking forward to discussing with many of you about how God plans to use me in Vienna.

I am presently still working at Sight & Sound Theatres full time and meeting with many of you about joining my support team. Stayed tuned as my website is being built and coming soon!

I hope you all have a blessed Thanksgiving, a Merry Christmas filled with the Hope of the Savior and a New Year that challenges you to press on.

>PRAY WITH ME<
